Here you can get a huge variety of furniture ranges including Brooklyn Oak, Chateau, Valbonne and many more. You will find everything you need all under one roof from traditional to contemporary furniture and designed accessories and gifts. Our huge Atrium area provides a massive range of outdoor furniture and accessories for the largest of garden centres. We welcome all trade customers to come and see for yourself how La' Boisart can provide everything you need as a business, with our platform and facilities you can grow with us.

INTERIOR DECOR SOLUTIONS

Home interior design ideas for small homes in India and that too on a tight budget is one of the most common problems we are encountered with. But that doesn't mean there ain't any solution. La' Boisart have a professionally qualified solutions provider for interior design, decoration and construction. Interior Zone is an integral part of "La' Boisart" and offers need based distinctive services and solutions for the interior design and decoration across residential, offices, showrooms, restaurants, hotels and other exhibition areas.

Our Interior Zone is a super service provider for luxury furniture and is located ideally in India. Our Interior Zone is providing Modern offers some of the best Interior designer at an affordable price. In other words, what you see in Europe and Italy in particular is what you get in India.

DESIGNER FURNITURE

We at La'Boisart have platform for Brands of all sorts of furniture including beds, coffee tables, dining tables, consoles, chest of drawers, loungers, sofas, office chairs and tables, workstations and ethnic Indonesian furniture. We provide services for Designer furniture in Gurgaon and NCR. Designer furniture means you decide the design, shape, colour etc of the particular piece of furniture. We have a vast range of furniture items in our database, which you are free to go through until you find a design you like. We will suggest the items which would be best suited to your taste and more importantly the general decor of your space.

ARTISAN DECOR

Here at La' Boisart, Capture the artisan aesthetic with furniture, decor, lighting and rugs in the arts & crafts style. Characterized by warm wood finishes, modest hardware, and earth and jewel tones, this design trend puts craftsmanship center stage.

Our exclusive Artisan Collection of furniture exemplifies arts & crafts. You'll also find lamps with art glass shades, linear decorating accents and rugs with strong motifs. The Arts & Crafts style is perfect for those who want time-honored simplicity with artistic flair. If you feel most at home in rooms with uncomplicated lines, warm woods and handcrafted details, the Arts & Crafts style might just be your cup of tea.

ARCHITECT SUPPORT

One of the key features of La' Boisart is our Architect Support its the level of support that will meet all you needs. La' Boisart is committed to providing a high level of product support, with a range of avenues in place to resolve your needs. An architect's services are a wise investment. A well conceived project can be built more efficiently and economically. Architects plan your project with you – as ideas evolve changes can be made on paper, much less expensively than later when construction is underway. Thorough drawings also make it easier for a contractor to get the most accurate and lowest cost. An architect works with you to make sure you get the most from your project budget by reviewing all the options, selecting appropriate materials, and providing the highest quality design.

A PLATFORM FOR DESIGNERS

Here at La' Boisart we will provide a Platform for Furniture Designers, Interior and Exterior Designers to Showcase their talent.
